Where and When

Wait for the bus at a safe location along the route visible to traffic.

If not at a bus stop sign, flag bus down like a taxi. Be on the correct side of the street.

Be at the stop at least five minutes earlier than the time you expect it.

Have proper fare or ticket ready before boarding. Drivers do not have change.

After Boarding

Drop fare in farebox; hand tickets and transfer slips to driver.

Ask for transfer slip if needed.

Transfer slips allow for a free transfer at the Central Bus Station for the next departure of buses.

Any Questions? Ask the driver!

Please allow seniors and disabled passengers to ride in the designated front seats.

Safety instructions and courtesy rules are posted behind the driver.

Deboarding

Push "Stop Request" button soon enough to allow the driver to pull over at the stop you need.

Driver will stop at the next corner, bus stop, or the next stop on the route pamphlet. Driver may ask if they are not sure. Or, you could just tell the driver.

If you have to cross the street, wait until the bus departs so that you can see traffic in both directions.

Starts September 8, 2009
